

FRENCH-AMERICAN INNOVATION MIDWEST

VIRTUAL HEALTH: NEW CHALLENGES AND OPPORTUNITIES

OCTOBER 21-22, 2020

CALL FOR SPEAKERS!

SHARE YOUR KNOWLEDGE AND EXPERIENCE:

The French American Chamber of Commerce in Minnesota, Ohio, Michigan and Chicago are inviting speakers who can engage, enlighten and inspire attendees at the French-American Innovation Midwest (FAIM) 2020. This event addresses "Virtual Health: New Challenges & Opportunities" on both sides of the Atlantic.

FAIM 2020 is a communication and collaboration platform organized around a variety of virtual events with discussion panels, mini stories, pre-recorded presentations, workshops, and more. The event provides examples and opportunities for French-American synergies and joint innovation.

Topics include but are not limited to: virtual care, mental health, medical coverage, technology (IT, virtualization, imaging ...), services, virtual education and training, applications, potential resilience, artificial intelligence, and more. The attendees are Providers, Patients, Payers, Start-ups & Corporations, Universities, Research centers, Health Systems, all of different backgrounds and levels of expertise.

If you or someone you know would like to share knowledge and experience and showcase the best of French-American innovation in the area of virtual health, please do not hesitate to contact us. This is a fabulous opportunity for collaborative innovation and for the relationship between our two countries!

For more information on becoming a speaker, contact: The French American Chamber of Commerce in Minnesota | info@faccmn.com | 612-208-7612 or your local chapter in Ohio, Michigan or Chicago.
